Tentative Topics for Discussion

FOOD AND DRUG ADMINISTRATION
Center for Tobacco Products (CTP)
Tobacco Products Scientific Advisory Committee (TPSAC)
March 1-2, 2012

1. Regarding the Summary of the TPSAC consideration of dissolvable tobacco products, please be prepared to discuss in detail at the meeting what changes (additions, deletions, or clarifications) should be made to any part of the document?
 - a. In particular, do you have any disagreements or concerns regarding the key findings from the evidence review? What changes (additions, deletions, or clarifications) would you make to this assessment of the available evidence?
 - b. In particular, do you have any disagreements or concerns regarding the recommendations for further information gathering, surveillance and research? What changes (additions, deletions, or clarifications) should be made to these recommendations for further information gathering and study?
2. The TPSAC report on dissolvable tobacco products will include the above referenced Summary document as well as the background materials, transcripts, presentations, and minutes from all TPSAC meetings on dissolvable tobacco products. Please be prepared to discuss in detail at the meeting:
 - a. What additional materials, if any, should be added to the report?
 - b. Would you like to provide any clarification for or dispute any information provided to the committee or resulting from the committee process (e.g. meeting transcripts) that will become part of the committee report?

3. Proposed Voting question:

Is the Dissolvable Tobacco Product Report (consisting of the summary and all background materials, transcripts, presentations, and minutes *and* reflecting any and all changes made during the March 1-2 meeting) your report and recommendation to FDA on the public health impact of Dissolvable Tobacco Products?
